Hello Chris, Jeremy, and Genevieve, Here is the complete draft biological assessment for your review. I'll be preparing this with the draft 404 to submit to you to initiate consultation before issuance of the proposed plan. Let me know if you see anything in need of immediate change before that transmittal. Also, just so you know, figures 4-1 and 4-2 are being revised (to remove the AOPC polygons and labels).

Thank you.
